

The anti-democracy  
standards of  
Sinclair  
Broadcasting are  
nothing short of  
criminal. Do you  
honestly believe  
your lack of ethics  
has gone unnoticed?

I have sympathy for  
people who use their  
opportunities in  
life and business to  
further their  
monetary gain at the  
expense of an entire  
country. Your  
beliefs are sacred  
to you as mine are  
to me, but to  
support a candidate  
and blatantly  
slander another (for  
money) is NOT what  
the media is all  
about. You really  
should be ashamed of  
yourself.

If you have any kind  
of ethical spine, I  
am certain it does  
not let you sleep at  
night. I hope you  
don't have children.
